

# Why?

## Stimulation

We focus on brain stimulation and development through daily exercises and baby massaging.

## We train our staff

We train our staff regularly on teaching methods, baby development, CPR, First Aid, Fire Fighting and more...

## Optimal Learning

Exercises are done daily to form the brain path for specific skills.

## Assessments

Our babies are assessed weekly to ensure your baby reaches his/her milestones as per occupational guidelines.

# Why?

# Smiley Babes

## Milestones

Our stimulation programme is compiled to assist your baby to achieve his / her required milestones.

## Balanced Meals

We believe a healthy body maintains a healthy mind through a balanced menu, compiled by a registered dietitian.

## We Care!

We pride ourselves in providing the best loving care for your baby.
