

Why? Smiley Kids

BODY DEVELOPMENT

We focus on whole body development through kinaesthetic, visual and auditory learning experiences.

LITERACY

Language development forms an important foundation for learning. We build vocabulary by telling stories everyday!

LEARNING IS FUN!

We have fun while we learn. We sing songs, recite poems, play games, and we are naturally born artists.

CHRISTIAN VALUES

We are a Christian school and we live out Christian Values everyday.

LIFE SKILLS

We focus on essential life skills development by teaching our children responsibility, independence, values and confidence.

MATH AND PERCEPTION

Mathematical skills are introduced early in our curriculum to ensure a solid foundation for future learning.
